

Remember that police officers are working because they care about you and your safety!

Some police officers are investigators or detectives who help solve crimes. All police officers carry a badge that will identify them. Always ask for identification.

**Police men  
and women want  
to help keep  
you and your  
community safe.**

Police officers can have many jobs. They work to keep us safe on the streets, in traffic, and in our homes.

There are always police officers working to keep you and your neighborhood safe. They are there to help if you are lost or in trouble.
